Re: 1997 Analytical Review DWCCA-5300-PJL

Dear Ms. Payne:

The Public Service Commission (Commission) is in the process of completing an analytical review of your utility's 1997 annual report. The purposes of an analytical review are to detect possible reporting or accounting related errors and to identify significant fluctuations from established trends in reported data not sufficiently explained in the annual report. It is our hope that our review will supply information that will enable us to better provide guidance to your utility regarding proper utility accounting and the preparation of future annual reports. In order to complete this review, we request the following information:

- 1. The names and titles of utility management section of our copy of Copy 2 of page iv was blank. Please provide a completed copy of Copy 2 of page iv.
- 2. During our review of the Interest Accrued Schedule on page F-16, we noted that the interest for bonds was reported under Other Long-Term Debt, Account 224 on lines 11 and 13. We moved those numbers to lines 1 and 2 or our copy of page F-16. Please adjust your copy of page F-16 as well.
- 3. The Commission is now using a computerized system to build an annual report database. It is, therefore, important to have a complete and correct annual report. The following changes have been made in our copy of your annual report. Please confirm these changes or indicate the necessary corrections:
